

Regarding LPFM station service expansion / takeover of current FM translator service:

1. With respect to FM stations, my family only listens to K-LOVE.
2. In our local area, there is no alternative to the positive, uplifting, morally sound Christian music continuously played by K-LOVE.
3. K-LOVE provides my family and my local community shelter from the morally corrupt pop culture music that pervades all other aspects of our society.
4. Without K-LOVE, the children of our community have little to no hope of resisting the temptations of pop culture music and the worship of the decadent behaviors it sensationalizes.

Please keep K-LOVE on the air in my community and all across our country. The future of our country depends on it!

Thank-you,

Brian Nolan
